PPSA Status Report
University Council
February 9, 2011

PPSA joined the efforts of PennVIPS to help the victims of the fire at 48th and Walnut. In less than 5 days (which included 2 weekend days and a holiday), the efforts collected enough donations from our generous colleagues at the University to load 6 flatbed trucks.

PPSA also helped promote the Provost’s Global Forum lecture with Rose George on January 25th and Founder’s Day Symposium sponsored by the Faculty Senate on January 20th.

PPSA is hosting a brown bag lunch program along with WPPSA entitled: Unlocking the Secrets of the Penn Library on February 9th.

We look forward to a host of programs and initiatives that are now being planned for the rest of the semester.
