Penn Professional Staff Assembly

Status Report
University Council

1) PPSA has coordinated with Vice President Steve Golding to present “The University’s Response to the Current Economic Climate” to our membership. Due to the importance of this presentation we extended an invitation to the membership of WPPSA.

2) On February 1, PPSA members have the opportunity to meet with Joe Cooney from University Learning and Education to learn more about the four generations in the workplace.

3) We are currently coordinating a blood drive for February.

4) During the spring, we will offer a community service project to our members. Presently we are investigating Books Behind Bars, a service that gathers books for distribution to prisoners. There is a specific request for textbooks.

5) We are also planning a workshop on chair yoga for March. More information to follow.

Respectfully submitted,
Anna M. Loh
PPSA Chair

Holly Marrone
PPSA Chair-elect
