January 2013

On Thursday, January 17, Dr. Gutmann gave a presentation on the future of Penn to over 150 PPSA members. Dr. Gutmann’s talk reviewed the Penn Compact and how its contents transfer to goals that seek to propel Penn from excellence to eminence. These goals are not just for Dr Gutmann, but are something for all members of the Penn family to be working towards. At the end of her presentation, Dr Gutmann opened up the floor for questions and the attendees were anxious to ask more about this exciting time in Penn’s history. By the end of the presentation there was a great energy in the room and many people stayed after to continue the discussion of Penn’s future.
