UA Project Updates

**Annual Budget Meeting:** Budgets for the six undergraduate student government branches were allocated on March 1st. These budgets apply to AY 09-10.

**College Day Proposal:** The UA passed this proposal to endorse College Day 2009. On Friday April 3, 2009, roughly 40 Penn Alexander 8th graders will be coming to Penn to spend a simulated day at college and partake in the “College Day” event. The primary goal of the event is to excite students about the college experience, in the hopes that they will be motivated to work harder in school and strive for a college education. College Day will consist of a mock-college class, lunch, performances by student groups, and a general tour of campus. Penn students will volunteer as mentors throughout the day for the middle school students to shadow.

**UA Spring Break Airport Shuttles:** A staple of the UA, shuttles to the airport during the end of the week prior to spring break operated smoothly. This comes on the heels of unprecedented success of the UA Winter Airport Shuttles.
