The WPPSA held their monthly meeting in the Department of Public Safety. Maureen Rush provided the members in attendance with an overview of the day-to-day functions of her office. Her presentation was followed by a tour of the facility. The meeting was well received by the members in attendance.

We have scheduled, for the month of February, with a presentation by the Housing Office. Interested persons can find out how Penn can assist them in purchasing a home. Ms. Nicole Hudson will facilitate this session on the 9th of the month in Houston Hall.

Also as a follow-up to an Open Forum question at the November University Council, we are scheduling a workshop/seminar on long and short-term disability. This event is tentatively scheduled for late February or early March.

The Board is also in the process of scheduling additional informational sessions on subjects of interest for the remainder of the school term.

We encourage all WPPSA Membership to attend each session.

Respectfully submitted,
Michelle Wells Lockett, Chair

Linda Satchell, Chair-Elect
