Weekly Paid Staff Assembly (WPSA)
Status Report to University Council
January 23, 2008

• The Weekly Paid Staff Assembly is pleased to report a successful Holiday Food Drive with an estimated 350 lbs. of food collected around campus in donation boxes. WPSA was unaware of a similar food drive conducted by the Center for Community Partnerships during the same time frame, and looks forward to partnering with CCP next year to make it an even better effort.

• The WPSA invites all weekly paid employees to the upcoming board meeting. This month we will be changing the bylaws as needed. We will also be reviewing business accounts the WPSA holds and future financial planning.
